

**Castlegar & District  
Hospital Auxiliary  
Society.**

**RAISING MONEY FOR  
THE CASTLEGAR &  
DISTRICT COMMUNITY  
HEALTH CENTRE &  
TALARICO PLACE!**

Please take the time to read our history and what we do in the community to promote healthcare during these times.

*The Auxiliary was formed in the latter part of 1956 and became a member of the British Columbia Association of Healthcare Auxiliaries in 1957.*

***History: We were here one year before the first Hospital opened in 1958! We raised funds then and our member, Mary Martini, sewed sheets, curtains, nightgowns , baby layettes. The Auxiliary purchased mattresses etc. so that the Hospital could open.***

Presently: The Auxiliary operates the Treasure Shop in Castlegar and by doing so we raise funds in order that we can purchase the much needed equipment for the Emergency Department, Lab,

X-ray located at the Castlegar Health Centre. We also raise funds for Talarico Place.

Our Community is very generous in donating good resalable items which include clothing, housewares, fabrics, linens, books and due to the expansion we are now able to sell good used furniture! We recycle cottons. **250-693-2322**

***Auxiliary donations exceed over \$500,000 which help cover the expenses for much needed equipment at the Castlegar Health Centre & Talarico Place! We work together with the community & continue to provide healthcare for Castlegar & surrounding areas!***

***WE are volunteers and continue to move healthcare forward!***
